FORM APPROVED OMB NO.

U.S. DEPARTMENT OF AGRICULTURE AGRICULTURAL MARKETING SERVICE APPLICATION FOR ACCREDITATION	Please fax to (202) 205-7808 mail original to: Program Manager, National Organic Program, USDA/AMS/TM/NOP 1400 Independence Ave. SW, Room 4008 Washington, DC 20250
--	--

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0191. The time required to complete this information collection is estimated to average 93 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.

The undersigned hereby applies for accreditation to the National Organic Program, U.S. Department of Agriculture.

I, (We), affirm that, if granted accreditation, I (we) will carry out the provisions of 7 CFR Part 205 including:

- Accepting the certification decisions made by another certifying agent accredited or accepted by USDA;
- Refraining from making false or misleading claims about my (our) accreditation status, the USDA accreditation program for certifying agents, or the nature or qualities of products labeled as organically produced;
- Conducting an annual performance evaluation of all persons who review applications for certification, perform on-site inspections, review certification documents, evaluate qualifications for certification, make recommendations concerning certification, or make certification decisions and implement measures to correct any deficiencies in certification services;
- Having an annual internal program review conducted of my (our) certification activities by myself, my (our) staff, an outside auditor, or a consultant who has the expertise to conduct such reviews and implement measures to correct any noncompliance with the Organic Foods Production Act of 1990 (Act) and the provisions of 7 CFR Part 205;
- Paying and submitting fees to AMS;
- Complying with, implementing, and carrying out any other terms and conditions determined by the Administrator to be necessary;
- (Items 7, 8, and 9 apply only to private entities)
Holding the Secretary harmless for any failure on my (our) part to carry out the provisions of the Act and 7 CFR Part 205;
- Furnishing reasonable security, in an amount and according to such terms as the Administrator may by regulation prescribe, for the purpose of protecting the rights of production and handling operations that I (we) certify under the Act and 7 CFR Part 205;
- Transferring to USDA and making available to the applicable State organic program governing State official all records or copies of records concerning my (our) certification activities in the event that I (we) dissolve or lose my (our) accreditation.
Such transfer does not apply to a merger, sale, or other transfer of ownership of a certifying agent
